Case No. 1:21-CV-06465

Judge Franklin U. Valderrama

**SUPPLEMENT TO PLAINTIFF'S
MOTION TO APPROVE ALTERNATE
SERVICE AS TO DEFENDANT
SANDOVAL AND ISSUANCE OF
SUBPOENA**

Plaintiff, Jorge Alejandro Rojas, provides the following supplement to his Motion to Approve Alternate Service as to Defendant Sandoval and Issuance of Subpoena (Dkt. 17).

Plaintiff filed the Due Diligence Declaration concerning attempts to serve Defendant Sandoval in Dkt. 18. Plaintiff e-mailed the Motion (Dkt. 17) along with the Second Amended Complaint ("SAC") to Defendant Sandoval's email address on January 25, 2022, in an attempt to identify a better address for him and to resolve this matter. After several emails, Mr. Sandoval eventually stated "Cant afford counsel [...] Just let whatever is gonna happen happen," and "We will wait for the courts." **Exhibit 1.**

Plaintiff respectfully requests the Court grant the request for alternate service. On a related note, Defendants Amador and Sanco Business Solutions response deadline to the SAC is February 10, 2022.

Respectfully submitted,

Dated: February 2, 2022

Mr. Sandoval,

Please see attached filing. An attempt to serve you 1023 Paulin Dr. was made and was unsuccessful. Attempts to evade service of process are not recommended - so please provide a good address you can accept service at.

Also attached is the Second Amended Complaint which names you in the case. This was sent via mail to Defendants Sanco and Amador earlier this week.

I'd like to work together to resolve this matter outside of litigation - but we'd need to get closer to the amount demanded in the Second Amended Complaint.

Good evening,

I see that Ms. Sandoval is attempting to evade delivery of the second amended complaint. Be advised that does not matter as I don't need her to sign for it for service to be effective. The effective service date is the date it was mailed.

Has Sanco or Ms. Amador retained counsel? The default deadline is quickly approaching.

The lawsuit is for more than 6,000. I suggest reading the complaint. The lawsuit is based on how many calls were made and the violations. Doesn't matter if small company or not. As the complaint alleges, you are personally liable as well.

Thanks for admitting you received the amended complaint.
